

SECTION 1 - PREFACE

1.1 Authority:

The Rules and Regulations Manual for Ontario International Airport (ONT) is published under authority of the Ontario International Airport Authority (OIAA) to make rules and regulations governing the use and control of ONT subject to the powers of the United States respecting commerce and empowers the ONT Chief Executive Officer (CEO) or his/her authorized representative, to enforce all Rules and Regulations adopted by the OIAA.

United States Federal Government Code of Federal Regulations Title 14 (14 CFR) Part 139; and, Title 49 (49 CFR) Transportation Security Regulation (TSR) Parts 1540 and 1542, requires Airport management to establish operational safety and security procedures to meet Department of Transportation - Federal Aviation Administration (FAA) and Department of Homeland Security - Transportation Security Administration (TSA) certification requirements for ONT.

1.2 Purpose:

The purpose of this manual is to provide Airport users with a single document representing a compendium of rules, regulations, procedures, and general information governing their activities at ONT. The objective of the manual is to promote the safe and efficient use of ONT as an integral part of the National Airspace System (NAS).

1.3 Contents:

The regulatory provisions of this manual are established by City of Ontario Ordinances, including number 1775, which is incorporated herein by this reference, Municipal Codes and Resolutions adopted by the OIAA, directives issued by the OIAA, and provisions of 14 CFR Part 139 and 49 CFR Parts 1540 and 1542.

1.4 Compliance:

The importance of compliance with all Airport rules and regulations cannot be emphasized too strongly. City of Ontario Ordinances number 1775 states that any person violating or failing to comply with regulations established by the OIAA for control of the conduct of persons and ground operations on the Airport shall be guilty of a misdemeanor and

upon conviction thereof shall be punishable by a fine of not more than \$500.00 or by imprisonment for a period of not more than six months, or by both such fine and imprisonment.

1.5 Enforcement:

The ONT CEO or his/her authorized representative, is assigned the overall responsibility of enforcing compliance with Airport Rules and Regulations. Ontario City Ordinance number 1775 authorizes any law enforcement officer of ONT or the City of Ontario, to issue a citation to any person violating the Airport Rules and Regulations. Under certain circumstances, assistance of other law enforcement agencies may be requested.

Successful enforcement, however, depends to a great extent on the full and active cooperation of all Airport users. This requires a thorough knowledge and understanding, through safety training programs, of applicable Airport Rules and Regulations on a continuing basis.

1.6 Deviations:

The ONT CEO or an authorized representative may approve, in writing, deviations from ONT Rules and Regulations when in their judgment, action is necessary to maintain established standards of operational safety and airport security, or in contingency situations affecting life and/or property in areas under the jurisdiction of the OIAA.
